

Prayer Partner Instruction Sheet

You are embarking on a unique missionary journey by your agreement both to become a prayer partner and to share of your time in recruiting prayer partners. Church professionals and laity working among the international student community are blessed to have you in partnership with us!

THE PRAYER PARTNER PACKET INCLUDES:

- Instruction sheet (pdf)
- Creating Awareness sheet (pdf)
- Bulletin insert (pdf)
- The Doorstep (pdf)
- "Go Here" stickers (order)
- ISM, Inc. brochures (order)
- Sign-up sheet for individuals/couples (pdf)

Follow these steps for best results:

1. Pray that God will direct your steps on this unique missionary journey. Ask Him to lead you to those people who would be faithful in praying for the needs of international student ministry (ISM).
2. Complete the name and address information for yourself (and your spouse) as prayer partner (s). Others will be encouraged when they see that you have decided to pray.
3. Inform your pastor of your decision to seek prayer partners for international student ministry. Explain the purpose of the ISM, Inc. mission society and its efforts to recruit 10,000 people as prayer partners. If so led, feel free to ask him to sign up as a prayer partner.
4. Look for people whom you know to have the gifts of intercession and faithfulness.
5. When meeting prospective prayer partners, share information and walk the people through the brochure so that they understand the purpose of being a prayer partner.
6. When someone has decided to become a prayer partner, give them a sticker, and invite them to keep the brochure.
7. Thank God for the new prayer partners, and give thanks for individuals who considered but yet decided to say, "No."
