Enlarge your world view.... before making life-changing decisions using a narrow world view...See the world as God does, as people from all nations, one-third of whom are without knowledge of Jesus.

6. Your Christian worldview helps to stabilize life, serving as an anchor to link you and others to God's faithfulness and steadfastness.
7. Whether reading passages in an SAT, finishing books for your Lit class, or learning about current events, understanding the underlying worldviews will give you important contextual information.
