- Please keep Daniel as close to You as he was when he returned home to China last January, Lord. He was so "turned on to share Jesus", but the "home front" is so antagonistic.
- Keep sending us new scholars, Lord, they only stay 8-12 months, and the time goes so fast.
- Help us to be creative in the ways we can teach English and improve in introducing them to the Lord of the Bible.

- Please pray that All Saints will know how to best expand the Gospel, outreach to college students. Our desire to expand our opportunities to draw students to the Lord. We're considering how to establish a coffee house to do this.
- Please pray that many students were touched by Rev. Heshem Shehab testimony when he came to All Saints on December 2 and shared his story, "From the Muslim Brotherhood to Follower of Christ".
- Prayer of thanks for the wonderful students who will leave in December. Steve Wazma, and Isuri have been such a blessing to our student ministry.
